Good Evening Jose and Sarah:

I wanted to express our sincere gratitude and appreciate for your teams continued work in CD15. As we're working to perfect the system in place to address sanitation issues in our district, it's great to know that we can count on your team in the field to be advocates for our communities as well.

Today's work was just another reminder of their attentiveness and professionalism, and for that, we thank you. Please give them our best, and we look forward to continued progress in CD15.

Best,

Gaby
